## DMBSMSA

The PDG DMBSMSA is made for the QSR industry and supports HME, PAR and Panasonic Speakers and Microphones. The speaker and microphone locations within the enclosure follow strict QSR standards. The DMBSMSA can also support an optional camera.

Constructed using high quality galvanized steel which will insure longevity and years of outdoor use. This DMB solution is first primed with a zinc rich primer and then powder coated with an outdoor rugged topcoat. Standard colors include black, white, red, and silver.
