

SONY 55" INDOOR KIOSK

Designed for your digital signage application

SONYIDPK55

The PDG SONYIDPK55 indoor portrait kiosk is designed to support Sony's slim 55" BRAVIA FW-55BZ40H which combines a bright 4K HDR image quality with a built in media player, providing flexible networking/control and extensive integration options.

This kiosk is part of PDG's family of indoor and outdoor portrait kiosks and is perfect for content and CMS partners who want to buy and then re-sell to the end users.

Constructed using 14 GA. high impact steel and shatter resistant polycarbonate display cover will insure longevity and years of use. This kiosk can be painted any color you desire and can also include printed decals and kiosk wraps.
